

## COMPANY PROFILE

Incepted in the year 1973, Wellworth group has accomplished the pinnacle of success under our founder Late Prof. M.K.A Hameed. Since the past 45 years, Wellworth group has been providing high quality experiences to its customers as the leading manufacturers of sophisticated PVC products in Kerala. Being the patent holder of Mirror Finish Technology (MFT) and the recipients of the certification of excellence from Sree Chitra Tirunal Institute for Medical Science and Technology, we ensure superior standards are followed. We have also been accredited by Fluid Control Research Institute in Palakkad, Kerala. Our top notch technology, qualified machinery, strong dealer back ground and impeccable ware housing facilities are unmatched in the industry. We adhere to a stringent quality policy and a powerful management system.
